

OCTOBER NEWSLETTER

2022-23 SEASON FOR U8-U12 AGE GROUPS AT
WYCOMBE HOCKEY CLUB

TRAINING: It's great to see so many young players enjoying our minis sessions on Saturday mornings and lovely to see parents supporting them. If any parents with hockey experience would like to get more involved we would LOVE to hear from you.

TEAM MANAGERS: We are currently organizing fixtures but need more team managers to come forward to be able to run more than one squad per age group. If you feel that you could support a team at fixtures please let us know and we can enter more squads...the current volunteers can only be at one fixture at a time and development squad matches are an important way to give less experienced players match time.

U12s: Years 6 & 7 are always welcome at training on Thursday nights from 6-7.30pm at RGS – we understand some have lots of commitments but do please come along when possible – it's a great session targeted at the older group.

SELECTION EMAILS: If your child is selected for a match, please respond promptly to selection emails as it really helps the minis managers to know who is available to play.

POLITE REQUEST: Please could we ask parents to always drop off and pick up at the pitch side at both WHS and RGS – coaches can't let children walk off alone into the car park – especially as it is now dark on Thursday nights. It's also a great chance to hear squad news and chat to coaches. Thank you for the lovely messages we have already received – the club is run by volunteers, so it is much appreciated. Do please get in touch if you have any questions, concerns or would like more player feedback.

nancy_c_b@hotmail.com - U10

ollybritnell@hotmail.com – U10

eashlin@hotmail.co.uk – U8

If you have any outgrown WHC kit you'd like to donate, please bring it to minis – we will find good homes for it! Do let us know if you are on the lookout for such second-hand hoodies, playing shirts, skorts etc.

As a club we are now asking all players to carry instant ice packs in their kit bags. We do always have club first aid kits but think it's an important piece of kit for everyone to have and a good habit for juniors to get into. Multipacks are available online.
